

WHY YOU NEED A CRIMINAL  
DEFENSE ATTORNEY STOCKTON

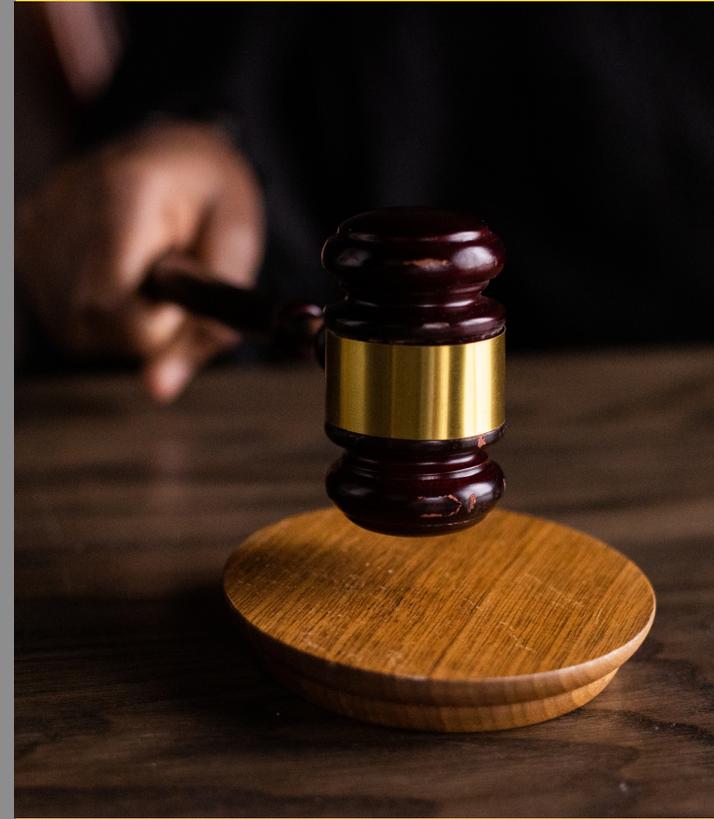

One mistake can result in an arrest — but that act shouldn't determine the course of the rest of your life.

# YOUR JUSTICE IS OUR PRIORITY

## About Us

**The Davalos Law Firm PC** in Stockton is committed to providing legal help to our clients. With every case, we examine and review the details, understanding your needs and wishes surrounding the outcome, before representing you honestly and fairly. Our firm handles Family, Civil Litigation, Criminal Defense, and Landlord-Tenant law cases. While wondering whether to engage a competent **"family law attorney near me"** and hiring one cannot guarantee the outcome of your case, hiring an experienced legal representative is one of the greatest ways to ensure your rights are preserved. Whether you have been wrongly accused or have committed a crime, it is critical to have legal representation from the beginning of your case. If you or someone you care about is facing criminal charges as a result of a suspected drunk driving incident, a white-collar crime, or another occurrence, your first step should be to seek legal counsel.
